

# PRESCHOOL DEVELOPMENTAL SCREENINGS

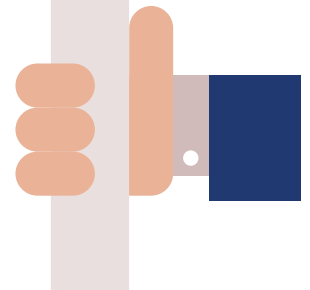

## Monday, December 7th

**Kae Avenue North**

**For children ages  
2 years, 9 months to 5 years  
(residing in Whitehall)**

**Screening in the areas of speech and  
language, large and small motor skills,  
concepts, and social skills**

To schedule, call  
Miss Nacole at  
614-417-5610!

Get your child screened early. Developmental checkups help your child learn and grow. Children who are suspected of having a delay in one or more areas will be recommended for further evaluation to determine if preschool special education services are needed.

These developmental screenings are NOT kindergarten screenings. This screening is provided by Whitehall City Schools and is free to families within the WCS District.
